Sorry for my bad manners my dear. My names are Aidan Brubaker, I hope you don't mind my name, hahaha. I'm from Australia, Sydney to be precise. I'm a diplomat with the United Nations Peacekeeping, working in Bulgaria for about six months now. I'm very glad that you taking the time to reply to my message even in your busy schedule with work, am very grateful. It's difficult moving around this platform, hahaha, I am more of a Classic man, don't laugh at me but I really don't know much about how social media works *, hence I don't use it most of the time, I only come only here when am lonely. But to be honest, staring at your profile picture, I must confess you are beautiful and charming at the same time. Penka, I hope I got it right.

I' m just an old man who isn't really conversant with social media stuffs, Lol.
