

I love you Follow Up Toasting

=====

I want to say that my heart is full of joy and happiness for knowing you and i will like us to keep this closeness and hope this will bring us to a better future as we wish

When you came into my life I needed someone new, Someone to really make me happy and I found out it was you...

There's not a day goes by that you're not on my mind, a very precious friend, gentle, good and kind and Sweet...So when I'm feeling lonely and need a friend who's true,I know you'll give me comfort as I walk life's path with you....

I know I've told you that "you are the best" and have tried to tell you how much you mean to me, but I wonder if you really know how strong my emotions are and how deeply touched I am by your feelings.

You are such a tender and special person, and you make me feel "special" just by the way you talk with me, and listen with me,I want to give so much in return. i am very happy that am with you sweetheart

i want you to know that you are a very good and caring woman, i really care about you, and ever since i met you i have been a changed man here i always think about you here everyday my dear, ever since i have been so lonely and when i saw you i knew that you are God sent to me you changed my life for good, you are such a caring and loving woman here, and that is the kind of woman i want to spend the rest of my life with my dear...all i want you to do, is to open your heart to be loved okay, i promise not to let you down, not to let you feel bad... i will always make you happy... and keep you close to my self.. i really think about you here, do not be afraid of heartache... loving you has been my watch world and i pledge to love you forever... my dearest love.

I really do love you and I just wanted you to know.

really? If you said you were cold I would wrap my arms around you I would give you

anything the moon, the stars, the sunset to this heart in my hands that I hold out to you

I will love you till the day I die, don't look for reasons, or even question why because i really do care about you

I always dreamed of finding someone really special who would come into my life and love me, someone who would understand me, encourage my efforts, and share my dreams. When I grew older, I found that person. i Love you my Queen

I love you for loving me just the way I dreamed it would be
