Hello, my friend once again I will say it's a pleasure to meet you here on Instagram. How are you, I hope you have good weather conditions over there.

I'm so glad you liked the flowers, just as they say **\*\*\*\*\***, 'flowers are a gift from the earth'... And also, Beauty isn't about perfection, It's not about how good you look in a bikini, or how perfect your skin is. Beauty is the quality everyone possesses. Looking at your picture, I could see a lovely lady who loves to smile and be happy.... Because happiness is the key to life.

**\*\*\*\*\***, I hope you don't mind, I only understand a little bit of Finnish with the help of a translator. So I hope you don't laugh at me if I make any mistakes. My dear friend I would appreciate it if I get to hear from you again.
