Ai Shortened

Thanks for accepting my follow-up request. I found your profile on Instagram and thought your picture was beautiful. Just wanted to say hello and hope we can be friends. Have a nice time... *attach a flower pic*

Original Version

Thank you for accepting my follow request. Sorry to invade your privacy, I was lonely so I decided to check my Instagram account and your profile appeared as a suggested friend in my Instagram suggestion list. And to be honest, your beautiful profile picture caught my attention, so I decided to say hello and hope to become friends. Hope to hear from you again, have a nice day today.
