

## Promise

=====

I promise to share all my hopes and dreams with you. I promise to share in the joy and happiness life brings. I promise to appreciate your love and support. With you by my side nothing is out of reach. If you will only give me same in return.... May our lives grow together and our love bring us closer. I promise to always honor and listen to you. You are my love. You are my life.

You are such a loving wife. I can't imagine not having you in my life. You fill my heart with joy and our home with warmth. Thanks for being with me. Because you make me happy as can be.

I don't want to be so free that I will not want to share my life with someone, or be in such total control that I won't be able to say that I want you and need you and I will always love you.

Love is forgiving even though it's hard to forget, holding hands and never wanting to let go, hoping that tomorrow will be as wonderful as today. And most importantly, Love is knowing that you'll never be lonely again.

My dear i cannot deny the fact that you have been on my mind. I don't know what happened to me whether i was crazy or just lonely, all i know is i was sick of being living alone after the death of my wife. Then you seem to come along now... I don't know why. All i know is that i felt a connection with you, something i had never felt before. I find you special dear and i want you to know that i am in love with you, i really hope we can meet soon, i will love to come to your country to meet you and your family. I hope to start a new life again and be happy. I hope we can make this come to pass dear.

I am so thankful I met you! You are the most important person in my life. I never thought I would find someone like you to share my life with, and now I don't even want to imagine what my life would be like without you in it. I love the way you make me laugh, how we tell each other everything, how we do everything together. Wherever you are is where I want to be. When we are together I feel like it's just you and me, there's no one else on earth. It feel like we're the only ones here. I fall madly in love with you more and more each day. If thereís one thing in this world I know, it's that I AM SO IN LOVE WITH YOU!!I love you so much darling
